

### Capture & Archive WhatsApp Business or WhatsApp Messenger Chats

Use WhatsApp Web on your mobile to scan a QR Code

We run a parallel WhatsApp Web Session to capture employee messages

We forward a copy of all employee messages to the company's archive

### WhatsApp

Capture WhatsApp Business & WhatsApp Messenger communications without the need for any additional third-party apps, supporting enterprise grade compliance, easy "DIY" 3-minute onboarding, and reliable data delivery for your archiving platform of choice.

### What's Supported
